February 2010

Well here we are in a new decade, a New Year with the floods, frost and snow, now a distant memory.

Many of us have not played golf for several months, so we are looking forward to this golfing year more than others.

From the outings listed on the back page of this Newsletter, you will note we begin our golfing year on Good Friday as usual, this time we are returning to Portmarnock Links. Following that, we go to Mountrath G.C. in Co Laois in May. We were there previously but I was told by a member that I did not play. Hence the reason for our return!

Many have expressed an interest in joining up with the British Left-Handers near Chepstow in June. Many more are going to Disney, Florida for the World Tournament.

For our National Championships we return to the PGA National near Naas in July. We are getting a special deal there due to the fact that the course was in less than perfect condition last year.

Our remaining outings are to Mullingar, Roscommon, Castlemartyr in Co Cork and we finish the year, all going well, in The Heath G.C. in November. That is seven outings in all.

As usual this is the time of year when your annual subscription is due. I would be obliged therefore for €25 at your convenience.

Alternatively you can pay me, if you are going to the outing in Portmarnock.

I wish you good health and good golf in 2010.
