

Newsletter

March 2008

As we begin our golfing year, I want to welcome some new members who have joined us and hope that they and all our members have an enjoyable golfing year.

A list of outings for the year is again on the back of this Newsletter. We begin with our first outing on **Good Friday** to **Rathcore G.C.** near Enfield, Co. Meath.

Due to lack of interest our proposed trip to Cork in September has been cancelled. I hope to have an outing elsewhere instead.

Those of you interested in playing in the British Left-Handers in June should send in your Entry Forms as soon as possible. Very few places remain.

Nine of our members are presently in the South Island, New Zealand participating in the World Championships. We know they are enjoying the experience. No doubt they will give me a full report on their return and I will share their exploits with you in the next newsletter!

The next World Tournament will be in Sweden in June 2009. The British Left-Handers hope to stage the event in Carnoustie in 2012.

Many members have already paid their subs, some have yet to pay. I look forward to receiving their cheques in the sum of €25 as soon as possible. Those intending to play in Rathcore can pay me then. Your own position is as outlined below.

I look forward to seeing you at some outing during the year.

2008 Sub Paid

Thank You
