

# Newsletter

**November 2007**

Rather than wait until the New Year and as most outings for next year, have been planned, I have decided to issue a Newsletter now. I know many of you like to plan your golfing year well in advance!

Most of the clubs we are visiting next year, we do so for the first time. We return to two clubs where we have been previously. As in previous years we begin our golfing year on **Good Friday** when we go to **Rathcore G.C.** near Enfield in Co Meath.

After that we head west to **Cregmore Park G.C.** which is between Oranmore and Claregalway in Co Galway. This is a new course which I think members will find interesting.

In June we go to **Castleknock Golf & Country Club** in Dublin, this comes with a strong recommendation from one of our over-golfed members! We then take another chance in going slightly to the south east when we go to **Carlow G.C.** in July.

For our National we go to **Glasson Golf & Country Club** in Athlone and our last outing of the year is to **Portarlington G.C.**, we are told a visit to see the club house alone is worthwhile.

There may be another outing in late September, more about that elsewhere in this Newsletter.

By the way, member's subs are now due. If you are not going to our last outing of the year in Nenagh, I would be obliged if you would send me on a cheque for €25 at your convenience.

With clubs looking for large deposits, I have payments to make long before we play these clubs.

Thanks to those who played in our outings in 2007, I hope as many as possible will play in our outings in the coming year. We would hope to increase our membership and any assistance or ideas you have would be welcome.

Wishing you all the best for Christmas and the New Year.
